

District Governor's Message

Dear Respected Lions Leaders and Fellow Lions, Namaste!

With heartfelt gratitude and boundless pride, I extend my sincere appreciation to each one of you for your outstanding dedication, collective strength, and unwavering commitment to our shared mission of Lions International & District.

As we move forward in this remarkable Lionistic year 2025–2026, guided by our inspiring slogan "Serve, Lead and Rise," I am pleased to share key accomplishments and milestones that reflect the power of united Lionism across our district.

We began the year with structured capacity-building efforts, conducting both Cabinet Officers' Schooling and Club Officers' Schooling to ensure our leadership is equipped with vision, knowledge, and tools to drive impactful change. The successful completion of our Advisory Council Meeting further laid the strategic foundation for cohesive governance and service delivery.

Key Focus Programs in Action:

Youth and Women Empowerment

Our targeted programs are actively engaging and uplifting young people and women across the district, fostering leadership, skill development, and opportunities for inclusive participation.

Lions Miteri Village

This visionary program continues to strengthen community-level impact through sustainable and inclusive service initiatives, embracing the true spirit of Lionism at the grassroots level.

Mission 1.5K

Our district is fully aligned with Lions Clubs International's mission for membership growth. Through determined efforts and collaboration, we are moving steadily toward our goal of chartering and strengthening clubs to ensure broader reach and stronger service capacity.

Leadership Development

By investing in leadership at every level—from club to district—we are nurturing the next generation of Lions who are capable, visionary, and service-driven also Conducted Monthly Orientation Program.

We celebrate and honor the generous contributions made by our members toward national and

international causes:

* Nepal Lions Foundation (NLF) – Significant district-level support reflecting our commitment to long-term development and emergency response.

* Melvin Jones Fellowships (MJF/PMJF) – Multiple recognitions received this year for members who demonstrated extraordinary generosity and global solidarity.

* Padhau Abhiyan – Our clubs have actively supported this educational initiative to empower underprivileged children, helping them rise through knowledge and learning.

As we advance into the coming months, I call upon all Lions of District 325 I, Nepal to continue carrying the torch of compassion, courage, and collaboration. With every act of service, every empowered woman or youth, every new club, and every kind gesture—we uphold our collective mission to Serve, Lead and Rise.

Let this year be remembered as a time when we didn't just meet expectations—we redefined them. Let us continue to grow stronger, serve wider, and rise higher—together. Thank you all for your enduring spirit and service.

With Lionistic Regards,

Lion Parbati Kharel Pandey

District Governor

Lions Clubs International – District 325 I, Nepal

Lionistic Year 2025–2026
