DISTRICT GOVERNOR'S MESSAGE

e-NEWSLETTER

Issue February, 2025

Dear Esteemed Lions Leaders and Colleagues,

It is with immense joy and heartfelt gratitude that I extend my sincere congratulations to all fellow Lions and leaders for your unwavering support and dedication. Your commitment has propelled our district to extraordinary heights, earning us the prestigious distinction of being the top-ranked district globally in various areas.

As we successfully complete eight remarkable months, I am overwhelmed with pride that we have upheld our district's legacy of excellence through outstanding performance in key areas such as service, contributions, and much more. I am also delighted to share some of our district's key achievements from February, as featured in the seventh edition of our District E-Newsletter: Club Extension: We have successfully established 54 new clubs, with more on the way—further solidifying our leadership in membership growth.

Melvin Jones Fellowship Contributions: A remarkable 50 contributions have been made, with more expected in the coming months—a testament to the generosity and commitment of our Lions family.

I am honored to invite all Lions leaders and fellow Lions to the 3rd Annual District Convention, scheduled for March 8, 2025, at Pokhara City Hall, Pokhara, Kaski. This grand event will be a significant moment for us to come together, celebrate our successes, and shape the future of our district.

Additionally, I had the privilege of meeting with Cabinet Officers and Club Presidents, engaging in meaningful discussions to further enhance our collective efforts in achieving new milestones under our guiding principle, "Humanity First."

We also recently celebrated Melvin Jones Fellowship (MJF) Day, honoring the legacy of our founder and recognizing the outstanding contributions of our generous Lions members. This celebration reaffirmed our shared vision of service and the power of giving back to our communities.

Once again, thank you for your dedication and tireless efforts in driving our district to such remarkable success. With our motto, "Humanity First," I am confident we will continue to reach new milestones and set an example of excellence on a global scale.
