DISTRICT GOVERNOR'S MESSAGE

e-NEWSLETTER

Issue March, 2025

Dear Esteemed Lions Leaders and Colleagues,

It is with immense joy and heartfelt gratitude that I extend my sincerest congratulations to all fellow Lions and leaders for your unwavering dedication and support. Your commitment has propelled our district to extraordinary heights, earning us the prestigious distinction of being the top-ranked district globally in various key areas.

As we successfully complete nine remarkable months, I am filled with immense pride in our collective efforts to uphold our district's legacy of excellence. Through outstanding performance in service, contributions, and leadership, we continue to make a significant impact. I am delighted to share some of our district's key achievements from March, highlighted in the Ninth edition of our District E-Newsletter:

Club Extension: We have successfully established 57 new clubs, with more in the pipeline—further reinforcing our leadership in membership growth.

Melvin Jones Fellowship Contributions: A remarkable 50 contributions have been made, with more expected in the coming months—a testament to the generosity and dedication of our Lions family.

I am pleased to share that our historic 3rd Annual District Convention was successfully completed on March 8, 2025, at Pokhara City Hall, Pokhara, Kaski. This grand event saw the election of our esteemed leaders, including the International Director Endorsee, District Governor, and Vice District Governors for the Lion Year 2025-26.

Furthermore, I am thrilled to report the successful completion of the Women's Symposium, where influential women leaders engaged with our Lions community in empowering discussions and activities. This event served as a powerful platform to inspire and foster leadership among women.

Additionally, the Holi festival was joyously celebrated in both Pokhara and Kathmandu, strengthening fellowship and harmony within our district. These moments of unity and celebration further reinforce our shared commitment to service and camaraderie.

Once again, I extend my deepest gratitude for your dedication and tireless efforts in driving our district to such remarkable success. Guided by our motto, "Humanity First," I am confident that together, we will continue to reach new milestones and set an example of excellence on a global scale.

With heartfelt appreciation,

Lion Binod Dhungana
